Electric Lights.

Electric lights add to the comfort and cheerfulness of the home that will be greatly appreciated at this season of the year.

Electric lights are better adapted for decorative purposes than any other kinds of illumination. As they do not burn with an open flame, the danger of catching decorations on fire is overcome. No matches are required to light them. Wire your house now.

That Cold Room

on the side of the house where winter blasts strike hardest always has a lower temperature than the rest of the house. There are times when it is necessary to raise the temperature quickly or to keep the temperature up for a long period. That can't be done by the regular method of heating without great trouble and overheating the rest of the house. The only reliable method of heating such a room alone by other means is to use a

PERFECTION
SMOKELESS
OIL HEATER

Absolutely smokeless and odorless

which can be kept at full or low heat for a short or long time. Four quarts of oil will give a glowing heat for nine hours, without smoke or smell.

An indicator always shows the amount of oil in the font. Filler-cap does not screw on; but is put in like a cork in a bottle, and is attached by a chain and cannot get lost.

An automatic-flame spreader prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that it can be cleaned in an instant.

The burner body or gallery cannot become wedged, and can be unscrewed in an instant for reworking. Finished in Japan or nickel, strong, durable, well-made, built for service, and yet light and ornamental. Has a cool handle.

When Buying Fuel

The consumer must always figure on the actual amount of heat and comfort that is got for the money spent.

We believe that our connections of long standing, coupled with the large amount of fuel that we buy, make it possible for us to sell the very highest grades of Coal and Wood at prices that are cheapest to the consumer.

A trial order of our Coal and Wood, or an opinion from some of our satisfied customers, will prove that our idea of putting quality first is correct.

SATURDAY EVENING, DEC. 31

WHOLESALE MURDERER

Declaring in a drunken and jealous rage that he would wipe out his entire family, William P. Strickler, a Virginian, shot to death his wife and stepdaughter, and then fired a bullet through his own head, shortly before 2 o'clock yesterday afternoon, in the kitchen of the Strickler home, 2417 east Lafayette avenue, Baltimore.

Strickler is alive, but the surgeons at St. Joseph's Hospital say that his life is hanging by a thread. His skull sustained a compound fracture from the force of a .38 caliber bullet.

The dead are: Mrs. Flora Strickler, aged 38 years, formerly Mrs. Flora Kite, of Shenandoah and Harrisonburg, Va. She was shot through the head and left leg.

Miss Eula Kite, aged 19 years, stepdaughter of Strickler and telephone operator at the Mount Vernon Exchange. Shot through the head, the bullet entering an inch behind the right ear.

Two other children in the house who escaped the assassin's bullet were: Clarence Kite, aged 15 years and Miss Myrtle Kite, aged 18 years.

Mrs. Strickler was a divorcee and her former husband, Ernest Kite, is said to be living at Clifton Forge, Va.

Make your wife, daughter, mother or sister happy. The RED CROSS SHOE will bring the smile. They give the comfort and the style. J. A. Marshall & Bro., 492 King Street.

ATTEMPTED SUICIDE.

With head erect, shoulders squared, and eyes leveled at the battery of cameras trained on him, Joseph G. Robin, the indicted banker, stepped from his sister's home in New York yesterday morning to face arrangement, calm in the knowledge that he had swallowed a dose of hyoscin, the subtle and deadly alkaloid with which Dr. Crippen killed his wife, Belle Elmore. He collapsed on the threshold of the court, with the exclamation:

"I'm a dead man; I've taken poison tablets."

The case was postponed in the greatest excitement, a stomach pump was hurriedly brought into play and the sick man was carried out of the Criminal Courts building, first to the prison hospital adjacent and later to Bellevue.

No charge of attempted suicide is entered against him, and it is thought he will recover, although it is believed hyoscin is slow, and much will depend on his vitality.

If you are suffering from biliousness, constipation, indigestion, chronic headache, invest one cent in a postal card, send to Chamberlain Medicine Co., Des Moines, Iowa, with your name and address plainly on the back, and they will forward you a free sample of Chamberlain's Stomach and Liver Tablets. Sold by W. F. Creighton and Richard Gibson.

Do the right thing if you have Nasal Catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powder and snuffs, for they contain cocaine. Ely's Cream Balm relieves the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Bros., 66 Warren Street, New York.
